WORK EXPERIENCE

OBM Education

Ambassador

March 2022–March 2025

- Developed excellent communication skills.
- Attended events held by the organization in order to build relationships.
- Maintained accuracy in all records, forms, and reports related to volunteer work.
- Represented OBM Education at public events while ensuring professional conduct and adherence to event protocols.

EDUCATION

Arab Open University

Computer Science

September 2021–June 2025

PROJECT

Nova Hotel Management System

- Full-Stack Website Application Using MongoDB, Express.js, React.js and Node.js
- GitHub: <https://github.com/KhaledMeow/nova-hotel/tree/Full-Website>

Online-Shop-for-Food-Beverage-Using-HTML5-CSS3

- Developed a responsive online food and beverage shop using HTML5 and CSS3, featuring an intuitive interface, product listings, and modern design to enhance user experience and visual appeal.

Meal-Ideas-app

- Developed “Meal Ideas” web application using modular JavaScript, CSS3, and HTML5; implemented client-side filtering and responsive layout; configured ESLint and Prettier for code quality; managed version control via Git/GitHub
